in Building and Construction

Providing a global network for international exchange and cooperation in research and innovation in building and construction, in support of an improved building process and of improved performance of the built environment.

March 2010

CIB Endorsed Student Chapters

2009 Bulletin of the Student Chapter at the Faculty of Architecture, Planning & Surveying, Universiti Teknologi MARA, Malaysia

Introduction

The first annual bulletin of CIB Student Chapter at the Faculty of Architecture, Planning & Surveying, Universiti Teknologi MARA, Malaysia was introduced in a News Article in February 2009 (see [here](#)).

Student Chapter Bulletin

This Student Chapter has published its second Bulletin. It contains information on past activities, future activities, published papers and PhD and MSc research related to the Built Environment in 2009, and a projected timetable of planned activities, such as Seminars, Workshops and research colloquia for 2010.

Hereafter follow some of the matters described in the bulletin.

Research and Motivational Workshop

In August 2009 the Chapter and the Centre of Postgraduate Studies and Research organized a 2-day Research and Motivation workshop off campus at the

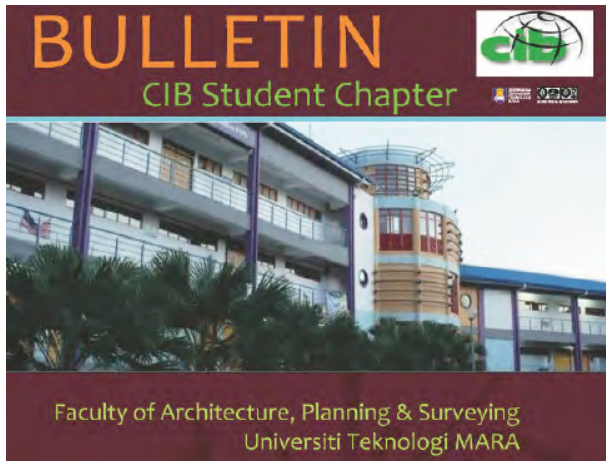

Hawa Resort and Training Centre Janda Baik, Pahang. The opportunity was taken to hear from Professor Charles Egbu (University of Salford, UK) in talks and workshops on research proposal preparation, how to defend a proposal and how to prepare for a viva examination. Another Research Workshop is planned to be held in July 2010.

First UiTM National Postgraduate Seminar 2010 (NAPAS)

Since 2008 the CIB Student Chapter (CIBSC) at the Faculty of Architecture Planning and Surveying (FSPU) at the University Teknologi MARA Malaysia (UiTM) has been contributing to the research culture in UiTM. The number of postgraduate students has increased along with the number of conferences and seminars organized or co-organised by CIBSC.

This year will see a further development as because CIBSC FSPU-UiTM has been invited to participate as co-organiser of the first UiTM National Postgraduate Seminar 2010 (NAPAS). This seminar will embrace all fields of studies including the social sciences, technology and the humanities. It will take place on 6 and 7 July 2010.

This bulletin can be downloaded [here](#).
