#### Introduction

The Research Institute for the Built and Human Environment, University of Salford, UK and the CIB Endorsed Student Chapter at Salford will organise the **5<sup>th</sup> International Postgraduate Research Conference** on April 7<sup>th</sup> – 8<sup>th</sup> 2005.

Salford Centre for Research & Innovation (SCRI) at the University of Salford in Greater Manchester. The conference is part of the 2<sup>nd</sup> International Built and Human Environment Research Week (April 4-8, 2005).

The Research Week includes the following three events:

- The (SCRI) Industry Day on 4 April 2005
- The 2nd International SCRI Research Symposium on 5 – 6 April 2005
- 5<sup>th</sup> International Postgraduate Research Conference on April 7 – 8 2005 (IPRC)

This year's conference will provide a stimulating and supportive environment for built environment postgraduates to present their research and meet other researchers working in similar fields. The content of papers can reflect any aspect of research being undertaken by a postgraduate at any stage of his/her study. Researchers will have the opportunity to gain valuable feedback and contacts, as well as gain an insight into current international research in their field.
