Providing a global network for international exchange and cooperation in research and innovation in building and construction, in support of an improved building process and of improved performance of the built environment.

August 2010

Forthcoming Meeting / Third Announcement International CIB Student Chapter Conference 2010

Budapest, Hungary — 30 September - 2 October 2010

The Hungarian CIB Student Chapter has organized an International CIB Student Chapter Conference 2010, which takes place in Budapest, Hungary.

Students, Ph.D. students and young teachers of construction higher education, will present their research topics at the Conference.

Conference Themes

The conference themes are:

- Liveable cities
- Environmentally conscious, energy efficient buildings
- Architectural innovation – renewal and preservation of existing buildings
- Other related topics

Previous Conference Participants

The Conference language is English.

Social Programme

In addition to the scientific programme, social programmes will also be offered, which will include:

- Budapest Sightseeing tour by bus and boat on Friday evening, October 1
- Visiting the Hungarian Parliament, Pusztaszer programme near Budapest – includes horse show on Saturday afternoon and evening, October 2.

Venue

The conference will take place in the Danubius Hotel Gellért, 1111 Budapest, Szent Gellért, tér 1, Hungary.

Note: change of venue from that announced in the earlier article in November 2009.
