

INTERNATIONAL COUNCIL FOR RESEARCH AND INNOVATION IN BUILDING AND CONSTRUCTION

# INFORMATION

March 2003

## CIB Student Chapter

### CIB Student Chapters International Symposium Innovation in Construction and Real Estate

26-27 September 2003

The Hong Kong Polytechnic University

Hong Kong

#### Introduction:

The Joint CIB Student Chapters International Symposium 2003 aims at enhancing the global outlook of postgraduate students in research and enriching their critical and creative thinking in the areas of construction and real estate development by meeting local and overseas young researchers. It also provided an opportunity to strengthen the international network among the CIB Student Chapters and local as well as overseas universities with aim of providing a forum to share and discuss research-related issues in construction.

#### The Research Themes:

The major aim of the Symposium is to disseminate research information and findings related to construction and real estate development. Papers related but not limited to the following research themes are welcome:

- \* construction and project management
- \* real estate and property
- \* construction process
- \* building technology
- \* construction information technology

- \* housing development
- \* urban planning
- \* health and safety
- \* sustainable construction
- \* building services engineering

#### Abstract and Papers:

Authors are invited to submit an abstract of about 300 words together with the personal information required on the registration form. Abstracts should be in English and must be forwarded to the SYMPOSIUM SECRETARIAT on or before 28 February 2003. The proceedings will be published in English and will contain all papers presented during the Symposium.

#### Deadlines:

Abstract submission and registration	<b>14 March 2003</b>
Notice of abstract acceptance	<b>18 March 2003</b>
Full paper and deadline for authors registration	<b>10 April 2003</b>
Notice of paper acceptance	<b>31 May 2003</b>
Final paper submission	<b>30 June 2003</b>

---
