International Council for Research and Innovation
in Building and Construction

Providing a global network for international exchange and cooperation in research and innovation in building and construction, in support of an improved building process and of improved performance of the built environment.

November 2009

Forthcoming Meeting / Second Announcement

International CIB Student Chapter Conference 2010

30 September - 2 October 2010, Budapest, Hungary

The *Hungarian CIB Student Chapter* – with the agreement of the CIB Board members – is delighted to invite you to take part in the International CIB Student Chapter Conference 2010, which takes place in Budapest, Hungary on 30 September - 2 October 2010. *Students, Ph.D. students and young teachers* of architecture, civil & environmental engineering and construction engineering higher education, are welcome to present their research topics at the conference.

Conference Themes

The conference themes are:

- Liveable cities
- Environmentally conscious, energy efficient buildings
- Architectural innovation – renewal and preservation of existing buildings
- Other related topics

Dates: 30 September - 2 October 2010 (Thursday - Saturday), optional tour on 2 October 2010

Venue: Danubius Hotel Flamenco, 1113 Budapest, Tas vezér u. 3-7., Hungary

Conference language: English

Participants: students, Ph.D. students, young teachers in architectural, civil & environmental engineering, construction engineering and related fields.

Presentations should be no longer than 15 minutes.

In addition to the scientific programme, social programmes will also be offered.

A maximum number of three presentations from each university will be permitted at the conference. The three presenters should be delegated by the CIB Student Chapters. If three presentations are given, it

is recommended that students, Ph.D. students and young teachers each present on a different topic.

Participation at the conference is free of charge for the presenters. Travel and accommodation costs are not included.

Call for Abstracts

Presenters should submit the abstract of their presentation by 31 May 2010. Abstracts will be published in the abstract book of the conference.

Registration to Conference

Please send your participation intention to Melinda Kozák at mkozak@emi.hu by 15 February 2010.

Please also complete the attached registration form ([here](#)) in your participation intention as this will inform us of the number of presentations you plan to present as well as the theme and category of each. Additional details regarding the conference will follow in March 2010.
