by

Miss Francesca Cassaro

Background

"The CIB Endorsed Student Chapter at The Department of the Building Environment, Science & Technology at the Polytechnic of Milan, Italy was officially approved at the CIB Programme Committee meeting of June 2003 in Paris.

The Scope & Objectives of the Chapter are:

- To encourage the development of research interests among its members.
- To improve the contacts and benefits with other CIB Student Chapters and the global research community.
- To facilitate and promote joint research and academic exchange with other CIB Student Chapters and the global research community.

Planned Activities

The upcoming activities of the Polytechnic of Milan CIB Student Chapter (Department BEST)

The CIB Student Chapter of the Polytechnic of Milan, Department BEST, within an internal assembly (November 15th, 2004, Milan) decided to prepare, within 6-10 months:

- a specific web site within the doctorate web-site, and

- a semi-annual newsletter.

These tools will be useful for spreading:

- the Chapter organization chart;
- the research topics, with particular reference to the theme of each Ph.D. Student dissertation;
- the research work: the research projects in progress, the ones concluded and the future ones;
- the events purposely organized by the chapter (seminaries, workshop and specific lessons for Ph.D. Students);
- the events attended by each Ph.D. Student (conferences, seminaries, courses organized by other institutions);
- the publications of each Ph.D. Student.
