Forthcoming Meeting

CIB Student Chapter Annual General Meeting - BEAR2008

Kandalama, Sri Lanka, February 2008

A CIB Student Chapter Annual General Meeting will be held during the CIB W089 International Conference in Building Education and Research in collaboration with the CIB W089 Building Education and Research Commission meeting and CIB Task Group on Postgraduate Research Skills in Building and Construction commission meeting.

Parallel to the student chapter general meeting, a series of student activities will be organized including:

- Learning from Asian experience – discussion on postgraduate research studies practices in Sri Lanka
- Advanced research methodological issues workshop supplemented by a Q & A session
- Panel discussion on how we can work together? – linking EU and Asia

These activities will be jointly organised by University of Salford – UK, CIB Endorsed Student Chapter at the University of Moratuwa Sri Lanka.

There will be a significant reduction in the conference fees for student chapter representatives taking part in BEAR, up to two participants per institution.

Awards for best papers and presentations will be sponsored by Taylor and Francis Publishers.

Students work will be published via CIB.

Additional Information

More information about the Student Chapter General Meeting, the research student skills workshop and the awards can be found on the designated website [here](#).
